

caspa 2009 Evaluation Version

SOURCES OF HELP AND GUIDANCE

CASPA 2009 includes a comprehensive context-sensitive Help system; simply press F1 at any point to access help relevant to the task at hand. The Help system for the Evaluation Version includes examples of the exemplification materials and portfolios of multi-media moderated work that are supplied with the full version of CASPA.

Further guidance is available via the series of Guidance Notes available within CASPA via the menu option Help | Guidance notes, the documents available via the CASPA 2009 Evaluation Version CD Browser and our website, <http://www.sgasystems.co.uk>

IMPORTANT INFORMATION REGARDING SAMPLE DATA

The pupil data and comparative data supplied with this Evaluation Version are for illustrative purposes only, and any similarity to actual pupils is purely coincidental

RESTRICTIONS TO THE EVALUATION VERSION

The Evaluation Version is a fully-functional copy of CASPA, with the exception of certain restrictions on the creation of pupil records and the import and export of data. The Evaluation Version includes a restricted version of the Help system showing examples of the exemplification materials and portfolios of multi-media moderated work that are supplied with the full system.
